Teachers' Best Wishes

Dear seniors (especially those who've graced the stage, wings, and tech booth through the years),

As you head out into the world, try to savor every moment, because as "Avenue Q" reminds us, "Everything in life is only for now."

Break a leg!

Mrs. Pyne

This is my first high school with a best wishes in the yearbook, so this is new for me but I hope this will suffice!

Thank you to everyone in the senior class for welcoming in any new staff over your 4 years of high school, may your next 4 years of college or work experience be as welcoming of you! I wish you success, but above all else, happiness.

Mr. Tim Clifford

Wishing you all bright,
safe, healthy and Drug
Free Future!
-Mrs. Decker

To the class of 2019, strive to achieve your greatest possibilities and never settle for less. All the best in all your future endeavors.

Dr. Centerrino

Best wish to the Class of 2019 from Mr. Ferro. Remember all the life lessons I've imparted on you and you will all do great! Never forget your roots and your school. Avon: 4 square miles of heaven. Friends, you learned about history, now go make your own!

Take pictures. Take your time celebrating. Take it easy for a while. Then get ready to take on the world and always remember: There's no limit to what you can do if you keep believing in yourself.

Mr. Alves

To the Class of 2019,
congratulations and best of luck
in the future! -Miss Nilsen

AM-HS Class of 2019—

Congratulations! What a class! Artists and athletes, scholars and musicians, actors and directors—you are as diverse in your interests as you are in the paths you will choose to follow in the future. It's been a privilege getting to know you all—and to watch as you've developed your own ways of being in this educational community. As always, I see no reason to wish you luck out there—'cause you have skills. Now, you'll have the chance to use them to do good and important work in this world. And trust me—the world needs you to do just that!

Kindly,

Eth Shepley

Seniors, I wish you passion so you can adventure into the endless possibilities of life with power. Try and discover as much as possible to find all your passions and make them come true!

-Mrs. DiChiara

May you have a happy and healthy life!

Mrs. Blackburn

Congratulations to all of The Class of 2019!

I have special affection for those that were members of my first full eighth grade class.

Thank you for being so wonderful and I wish you much success!

-PMcGaff

Seniors,

Thank you for the many moments you made my day better with a kind word or a smile, or some deep thinking about math! Keep learning. Add value.
